Daddy Dearest

2008 Father's Day Gift Guide

Remember when all it took to get your way was "Pretty please with a cherry on top"?

Yeah. Us, either. Time to pay him back for all the things he *did* get right.

He's a man of many hats. And bags. Vegan totes by [Malcolm Frontier](#) – in styles like The Interpreter, The Agent, The Director, and The Guide – are oh so fitting (Bill Hallman Men, 792 North Highland Avenue; 404-876-6055).

On the outside, he's all business. On the inside, he's a creative genius (and he still reads comics). The two meet in Retromodern [business card cases](#) in a bevy of neat-o designs.

Athens-based designer Nick Canada's Satisfactory skinny ties come in standout colors with screen-print images to spice up his office attire (1Five0, 1000 Marietta Street; 404-474-4102).

Appeal to his suave, chin-stroking side with a vintage billiard ball [bottle stopper](#) and an inspirational [paperweight](#) (Olive & Fig, 1025 Canton Street, Roswell; 770-998-2595).

The man loves a sandwich. He'd be happy with one from Publix, but go the extra mile for a monstrous, meat-filled Cuban from Kool Korner's Grocery (349 14th Street, West Midtown; 404-892-4424).
