2008 Father's Day Gift Guide

Pop's always telling stories from his glory days ("three touchdowns in the state championship!"). Let him relive the splendor with a Dad's Day gift to match his high school persona.

Most Athletic

He can throw, catch, and dunk (ok, not dunk), but his true love is golf. Ensure you're his favorite child with a day pass to [Doral Golf Resort & Spa](#) (4400 NW 87th Avenue; 305-592-2000). Wednesday, June 18, is the Summer Solstice Slam, a 54-hole amateur tournament on the PGA Tour-worthy Blue Monster and Great White courses. For pops, it's 50 percent off fees.

Most Likely to Travel

Dad has loads of frequent flyer miles. But he's still carrying his toiletries in a Ziploc. Class him up with [Malcolm Fontier](#)'s new line of bags, dop kits, and wallets. The 2008 Gen Art winner's collection is completely vegan, and the brown and white canvas laptop case will make quite a splash in the Sky Club.

SPONSORED LISTING

This Father's Day, give Dad a present that has his name written all over it. Literally. Personalize Pop's favorite drink with complimentary engraving service from [Johnnie Walker®](#) for all Blue Label® bottles. Find participating retailers at [johnniewalker.com/engraving](#) or board the *Venetian Lady* yacht docked at 45th and Collins Avenue on June 8, 11 a.m.-5 p.m., for a luxurious etching affair.
