BROWN BAG IT

Here's a handsome, stylish, well-built carryall that'll look as good in the boardroom as it does on the street. A bag that Indiana Jones or James Bond could wear. This compact carryall has it all, perfectly holding all of life's essentials. Made of soft and durable PU-coated canvas, it fits a laptop of up to 15 inches, has a natural linen lining with padded laptop protection, and all kinds of internal pockets. You got this one in the bag.
